Katchoo is a beautiful young woman living a quiet life with everything going for her. She's smart, independent and very much in love with her best friend, Francine Peters. Then Katchoo meets David, a gentle but persistent young man who seems determined to win her heart. The resulting love triangle is a touching comedy of romantic errors until Katchoo's ex-girlfriend comes looking for her and $850,000 in missing mob money. As her idyllic life begins to unravel, Katchoo discovers no one can be trusted. The past she thought she left behind now threatens to destroy her and everything she loves, including Francine.

What had started as a fun little fishing trip soon turns into a nightmare of damnation, trapped on a floating prison. The continents have been hit by a zombie outbreak that spread fast, turning humanity into living corpses, leaving those at sea alive to fend for themselves. With provisions running low, hope comes on the horizon in the form of a luxury liner. All they needed to survive would be on the ship, but who among the fishermen will dare to board the liner and discover what's become of its passengers and crew?

Rod Espinosa, unleashes another spectacular steampunked story that'll give you chills! In the distant kingdom of Norfar, the king and queen reign joyfully with their two daughters. But the elder princess has a mysterious power to create cold and ice, one she cannot always control. The royal clergy label it a curse, blaming the queen's foreign origins and religion. Can the king's engineering skill keep his daughter's abilities from freezing the land, or will he be influenced to shut her away forever?
